

fedSCOOP PRESENTS

# TECH TOWN HALL

---

SEPTEMBER 9, 2014 . THE NEWSEUM . WASHINGTON, D.C.

# Tech Town Hall **fedscoop**

This event will bring together top government, industry and academia leaders to discuss how to leverage Science, Technology, Education and Mathematics (STEM) to cultivate the future government workforce to drive U.S. competitiveness to the forefront. Discussions will focus on current and future STEM landscapes, the initiatives, how education is changing and the technology involved in spurring the next generation's workforce.
