<b>Requirements Title:</b> DHS Department Wide Cloud	
<p><b>Description:</b> DHS requires commercial cloud solutions for Department-wide use. It is anticipated that commercial cloud solutions shall be directly provided for by Cloud Service Providers (CSPs) through non-competitively and competitively awarded Indefinite-Delivery, Indefinite-Quantity (IDIQ) vehicles. Included within the scope of this effort titled Cumulus, are commercially available Anything as a Service (XaaS) covering Infrastructure as a Service (IaaS), Platform as a Service (PaaS), Software as a Service (SaaS), professional services, marketplace solutions, and training services. Cumulus requirements will not just offer increased efficiency and effectiveness in CSP solution procurement but is also anticipated to deliver strategic level value to the Department. This includes increased oversight and understanding of CSP solutions being procured across the Department and how they may be collaboratively leveraged from both a mission delivery and spend perspective. Strategic level value will be recognized, for example, through economies of scale resulting in significant discounts and through increased cloud procurement and delivery consistency Department-wide.</p>
