Good morning all – you probably cringe every time you see an email from me at this point.

The attached list is from Zach. It is the first list of grants that he would like us to terminate. In my quick scan, this list contains many awards from Congressionally mandated programs. I've attached a list of those programs from Matt.

(b) (5)

Thank you all (as always),

Karen

Here's the list of awards I got from Zach from his run. This is the one we need to cross compare with our own list. Copying Jenn and Eduardo.

Hi Austin,

OD received a file from our DOGE rep, and he identified 500 awards (tab 1). We wanted to see if they overlapped the initial 406 terminations last Friday or the new list of 782 awards that OD is reviewing this week.

Happy to discuss

Thanks,
Jason

Would you mind sending the list of awards that Zach and Luke identified to Jason B and me (again)? We need to ensure they are on the termination list.

It would be 600 from the 782. Given all the actions that we have going, I constructed a table below that I'd like to send up to Karen. @Waldeck, Nicole can you add this to our
